- We have all seen God answer prayer so it is obvious that the next step after we PICK our UUPG we must begin praying for them and for our future partners both here and abroad.

Five Steps to Praying for Your UUPG

- Pray to the Lord of the Harvest to thrust MORE WORKERS into the harvest field and break up the ground (soften the hearts) of your UUPG.
- Pray the workers would have a bold witness through the verbal PROCLAMATION OF THE GOSPEL.
- Pray the workers would bring a KINGDOM MANIFESTATION of the Gospel in the form of miracles, service, compassion, etc.
- Pray for the PROTECTION and perseverance of new believers as they suffer persecution.
- Pray for MULTIPLICATION as disciple making efforts become indigenously led.

DON'T FORGET: Pray for your own church partnership as they do research and gather key insights into the culture, opposition and the breakthroughs that are sure to come
