

BUILDING *the* **KING'S HIGHWAY**

Multiplying Kingdom Movements from
110 Megacities to Impact All Peoples Everywhere

William J. Dubois and Joseph Myers

Copyright © 2024 William J. Dubois and Joseph Myers. All rights reserved.

All Scripture quotations, unless otherwise indicated, are taken from The Holy Bible, New International Version® NIV® Copyright © 1973, 1978, 1984, 2011 by Biblica, Inc. Used with permission. All rights reserved worldwide.

THE CALL

“Pass through, pass through the gates!
Prepare the way for the people.
Build up, build up the highway!
Remove the stones.
Raise a banner for the nations.”

Isaiah 62:10 (NIV)

THE IMPACT

“(Paul) took the disciples with him and had daily discussions in the lecture hall of Tyrannus. This went on for two years, so that all the Jews and Greeks who lived in the province of Asia heard the word of the Lord.”

Acts 19:9b-10 (NIV)

“This beautifully arranged and illustrated guide to 110 strategic cities and 257 GAP peoples with little or no gospel access is an essential tool for the mission-minded Christian in the 21st century. This book has a historical connection with previous books, especially ***The Unoccupied Mission Fields of Africa and Asia*** written by Samuel Zwemer in 1911. Most of the places Zwemer described 11 decades ago are found in this book, but with more precision and detail. Perhaps that time gap is an admonition to us today. Use this book to lean into the vision of a Jesus for all peoples – an urgent and biblically-directed destination.”

INTRODUCTION

Building the King's Highway was produced as an RSVP to the call from heaven found in Isaiah 62:10. Far from being a “to-do” list of what is yet to be done, the following pages are a visual work of art created to help focus on where, and with whom, this divine call will be fulfilled.

Toward that end we invited five thousand prayer networks in 180 nations to answer this call with us. Then we encouraged those who are helping bring God’s Word to every tribe and tongue to join in. Our first step? Following the Apostle Paul and his co-laborers, we are focused on the unreached megacities of the earth. Leading missions researchers helped us identify 110 strategic “Ephesus” cities from which the Kingdom could advance into surrounding areas (Acts 19:10). Already we have seen more signs, wonders, and miracles in the last 2 years than in the prior 30 years of ministry combined.

Special thanks goes to Peter Crossing of the Center for the Study of Global Christianity, who provided a listing from the World Christian Database of 257 “GAP Peoples” having at least one million unevangelized individuals each in them. These 257 GAP Peoples are found in 52 countries and speak a total of 196 different “GAP Languages”.

OUR TRIBE

The 24:14 Coalition is a family of 2,000+ movements and 100+ disciples focused on multiplying movements among every unreached people in every unreached place. Every movement is vouched for by other movement leaders in the Coalition. God has knit these movements together in a web of relational trust. You are invited to join us in fulfilling the vision.

SOURCES

Data for this book come from the World Christian Database, Joshua Project, Progress.Bible, the Strategic Language Initiative, the RUN Family of Movements, and the 24:14 Coalition. Maps were generated using ArcGIS Online. Photographs were sourced from Unsplash.com.

HOW TO PRAY THROUGH THIS BOOK

This book is organized by geography. It begins with a world map showing the location of each of the 110 Ephesus cities. It is then organized by United Nations region, beginning with Europe and moving through to Eastern Asia. Each regional section opens with a map of the region, showing the countries it encompasses in green. The Ephesus cities in the region are indicated by number, with an accompanying legend showing the city names.

Each Ephesus city has its own pages to show its significance. A map shows the location of the Ephesus city within its country, and a picture of the city provides a visual representation of what it is like.

Under the map and city picture is an indicator of whether Kingdom Movements and Prayer Movements are present for the city. A Kingdom Movement is defined as the multiplication of disciples making disciples and leaders developing leaders, resulting in indigenous churches planting churches that begin to spread rapidly throughout the area. A Prayer Movement based in or near an Ephesus city can take either of two forms. Localized Prayer Ministries meet in a specific location, many times with people committed to praying around the clock (24/7). Regional Prayer Movements are multiplicative prayer teams that partner with churches and mission movements to mobilize for different prayer and fasting initiative.

Toward the bottom of the page is a table showing GAP languages found in or near the city and Kingdom Tools available for each one. These include the status of print Bible translation, the availability of audio Scripture and the JESUS Film, and the Strategic Language Initiative rating for each language (indicating what Scripture translation resources are available).

At the bottom of the page is a URL that will take you to a page of prayer emphases for the city.

KEY TERMS

Christian – One who believes in, or professes or confesses, Jesus Christ as Lord and Savior, or is assumed to believe in Jesus Christ; an adherent of Christianity, without respect to the degree of commitment. Includes members of churches with doctrines deviating from mainline orthodox Christianity. Includes children in Christian families.

Ephesus city – One of 110 cities identified by leaders of Kingdom Movements as strategic for the advance of the Kingdom of God into surrounding areas (Acts 19:10).

Evangelized – The state of having had the good news spread or offered; the state of being aware of Christianity, Christ, and the gospel. Includes children in evangelized families.

GAP Language – One of 196 languages spoken by the world's 257 GAP Peoples (see below). Multiple GAP Peoples speak some GAP Languages as their primary language, and some GAP Languages are also spoken by non-GAP peoples. Language is an important consideration because resources (such as Bibles and the JESUS Film) are available for languages rather than people groups and because speakers of a GAP Language are best reached by other speakers of that language, although not necessarily members of the same people group.

GAP People – A people group having at least one million unevangelized individuals. A GAP People is defined as a people-in-country so that, for example, Bengalis in Bangladesh are counted separately from Bengalis in India (both of which are GAP Peoples) and Bengalis in Nepal (which are not a GAP People). In total, the 257 GAP Peoples include 1.8 billion unevangelized individuals, representing 88% of the global total of all unevangelized individuals. These 257 GAP Peoples live in 52 countries and speak 196 different languages.

Kingdom Movement – See pages 11-12.

Prayer Movement – See page 12.

Safe House – A large, strategically located home, located among the unreached, in or near the 110 Megacities. Each Safe House offers unceasing prayer and worship to the throne of heaven and provides safety for the persecuted, training for leaders, and storage for evangelism and discipleship tools.

Translation Resources – Approximately 200 global strategic languages have been classified into one of five resource levels (RL0 to RL4) based on available resources in each language. For more information, visit

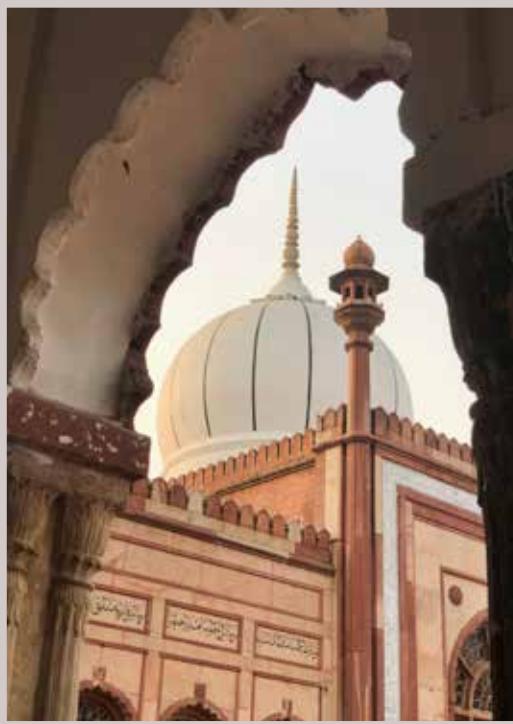

<https://etenlab.notion.site/Strategic-Languages-Initiative-c17e6fc7ab874ee484c4cfc-d09cb85e8>

ADDITIONAL TERMINOLOGY

WHAT ARE KINGDOM MOVEMENTS?

A Kingdom Movement is defined as the multiplication of disciples making disciples and leaders developing leaders, resulting in indigenous churches planting churches which begin to spread rapidly through a people group or population segment. These new disciples and churches begin to transform their communities as the new Body of Christ lives out Kingdom values. When consistent 4th-generation reproduction of churches in multiple streams occurs, church planting has crossed a threshold to becoming a sustainable movement that outpaces population growth. While it might take years to begin, once a movement starts, we usually see this 4th-generation threshold crossed within three to five years. Increasingly, Kingdom Movements are starting new movements within other people groups and population segments.

KINGDOM MOVEMENTS ARE GROWING IN

- Multiplying disciples and churches
- Local and global prayer
- Developing leaders
- Discipleship rooted in love and obedience
- Doctrinal, financial, and moral accountability
- Qualitative and quantitative research
- Scripture engagement
- Providing justice to the marginalized and oppressed
- Sustainability (outside help is primarily to start new work)
- Birthing movements among new peoples and places

KINGDOM MOVEMENTS: OUR CORE STRATEGIES

- Multiplying movements.
- Catalyzing Acts 19 movements in 110 cities and surrounding regions that contain 90%+ of the world's unevangelized individuals.
- Partnering with 5,000+ prayer networks mobilizing 100+ million intercessors committed to 4 global days of prayer. Raising up on-site prayer walking teams and 24/7 prayer.
- Providing complete heart-language Bibles in appropriate formats (print, audio, oral, digital).
- Accelerating movements through multi-wave campaigns.
- Developing businesses to fund movement expansion.
- Providing justice to the oppressed and vulnerable in ways that transform communities.

UNPACKING OUR PRAYER DEFINITIONS

24/7

Localized Prayer Ministries (24/7) that meet in specific locations (building, home, prayer room, prayer towers, business offices, etc.) in or near one of the 110 Ephesus cities. Many of these locations have people committed to praying around the clock (24/7), most often in 1-to-2-hour segments of prayer and worship. Most prayer meetings are corporate gatherings (2-3 people at a minimum). All prayer ministries have a vision to continue adding prayer until they reach sustainable 24/7 prayer.

RPM

Regional Prayer Movements (RPM) are multiplicative prayer teams located in or near one of the 110 Ephesus cities. These prayer teams come in many shapes and sizes, from prayer walking teams praying on-site with insight to praying churches to watchman teams that deal with spiritual strongholds in the city or region. They work in partnership with various churches and mission movements to mobilize individuals, families, and churches to join different prayer and fasting initiatives (days of prayer, prayer walking strikes, 21 days of prayer with fasting, all-night prayer vigils, prayer mountain retreats, pastors and leaders prayer summits, etc.). Depending on the area or city, these prayer teams might include thousands of intercessors joining in seasons of united prayer.

CONCLUSION

Isaiah 62:6-12 (NIV)

“I have posted watchmen on your walls, Jerusalem; they will never be silent day or night. You who call on the LORD, give yourselves no rest,

and give him no rest till he establishes Jerusalem and makes her the praise of the earth.

The LORD has sworn by his right hand and by his mighty arm: ‘Never again will I give your grain as food for your enemies, and never again will foreigners drink the new wine for which you have toiled;

but those who harvest it will eat it and praise the LORD, and those who gather the grapes will drink it in the courts of my sanctuary.’

Pass through, pass through the gates! Prepare the way for the people. Build up, build up the highway! Remove the stones. Raise a banner for the nations.

The LORD has made proclamation to the ends of the earth: ‘Say to Daughter Zion, “See, your Savior comes! See, his reward is with him, and his recompense accompanies him.”’

They will be called the Holy People, the Redeemed of the LORD; and you will be called Sought After, the City No Longer Deserted.”
